

Notes from the Nurse

Greetings, Chace Families!

Please remember to screen your child each day for Covid symptoms prior to sending them to school.

If they have any of the following, please keep them home:

COVID-19 symptoms list:

- Fever (100.0° Fahrenheit or higher), chills or shaking chills
- Difficulty breathing or shortness of breath
- New loss of taste or smell
- Muscle aches or body aches
- Cough (not due to other known causes, such as chronic cough)
- Sore throat, when in **combination** with other symptoms
- Nausea, vomiting, or diarrhea when in **combination** with other
- Headache when in **combination** with other symptoms
- Fatigue, when in **combination** with other symptoms
- Nasal congestion or runny nose (not due to other known causes, such as allergies), when in **combination** with other symptoms

ALL individuals with the above symptoms should be screened for Covid. If your child has any of these symptoms, it is encouraged and recommended they be tested for Covid. If you decline to have, your child tested, please be advised that there is a 10 day quarantine period before returning to school.
